

## PROJECT PATRONS

With the start of the new fiscal year, ANERA is inaugurating a new program — Project Patrons. Many of you have expressed interest in a particular aspect of ANERA's work, such as health, education, or our work with women and children. As a Project Patron, you can designate your contributions for a specific ANERA project.

Each project provides important services not otherwise available to the individuals served. Your support will enable the grassroots project you choose to assist more of the needy and disadvantaged in the Holy Land.

The projects you can choose from are:

- **Society for the Care of Handcapped Children** — The largest institution of its kind in the area, the Society provides education and vocational training for approximately 90 mentally retarded children in Gaza City. Additionally, the Society provides training in at-home care-taking to the mothers of retarded children, thereby helping many more needy families throughout Gaza. But many more children wait for admission to the Society. With your help, the Center will be able to expand its facilities and extend assistance to these children.
- **Arab Women's Union, Bethlehem** — The union was founded in 1947 by Palestinian women who wanted to raise the status of women and their families. Today, the union helps Palestinian women with mother/child health care, vocational training, food for needy families, and cultural programs. Your gift may be used to purchase sewing machines and other equipment used in teaching women marketable skills, enabling them to better provide for their families.
- **Secours Populaire** — The people of Lebanon are engaged in the difficult task of rebuilding their war-torn country. Secours Populaire is involved in this process in both rural and urban areas through the provision of health care for all in need. Your support will help Secours Populaire continue to operate vital clinics and relief services.
- **Ramallah Poultry Cooperative** — Since its founding in 1975, this cooperative has been of tremendous service to its many member farmers, supplying them with inexpensive chicks and feed and marketing their produce. ANERA is assisting in the expansion of the cooperative's chicken feed mill. Your contribution will provide funding specifically to this project.

When you become a Project Patron, you will receive a special report about your chosen project. And you will receive periodic updates from the field about the progress of your project.

As a Project Patron, you will have a direct link with the lives of the people of the Holy Land — the men, women and children who are working to build a better future.

Please fill out the coupon on the back of the Newsletter, and check the project you would like to support. The \$100 minimum contribution can be made either in a lump sum, or in monthly installments of \$10. Your support will make a difference.

## ANERA'S FINANCES

The ANERA staff is grateful for the generous donations this year from individuals, organizations and corporations.

The "pie" at right represents ANERA's expenditures in fiscal year 1986, which total \$2,551,395. ANERA's FY 1986 annual audit can be obtained by contacting the ANERA office.

ANERA is proud that only 14% of its income was needed for fund-raising and management. This is an excellent record among charitable organizations and is made possible by the generosity of ANERA donors and the efficiency of the ANERA staff.

## ANERA GRANTS, FISCAL YEAR 1986

In fiscal year 1986, extending from June 1, 1985 through May 31, 1986, ANERA and its AMER Medical Division gave assistance totalling \$1,821,532. Of the total, \$1,571,650 was in grants and services, and \$249,882 was in medical supplies, books and shipping. Below is a list of all the ANERA grants for the year.
