

Become a sponsor and make a difference. **See and be seen!**

We're gathering virtually (again) for Anera's Annual Gala on October 1, 2021. Our theme – **Coming Together With Hope** – encapsulates the spirit of Anera's past, present and future work.

We are filled with joy at the prospect of being with one another again to renew our bonds, heal, remember, and to move forward with strength and commitment. Your sponsorship will help us commemorate the important work that the Anera community carries out in Palestine, Lebanon and Jordan.

With your sponsorship, you will gain visibility among like-minded humanitarians and development experts and policymakers while supporting the oldest American organization delivering humanitarian relief and development projects exclusively in the Middle East.

The past two years brought protests and economic collapse in Lebanon, the coronavirus to the world, an explosion that rocked Beirut, more encroachment of settlements in the West Bank and East Jerusalem, and the continued blockade of Gaza. But our Anera community met the moment, as it always has. Despite lockdowns and many other hurdles, together we delivered – and adapted – programs that provided relief in the form of food, water, jobs, medicines, education, and so much more.

This event is raising funds to continue the work that Anera can only do when our whole community gets involved to make it possible. Together, we'll connect homes, schools and health facilities in Gaza with reliable water supplies. We'll provide training in marketable job skills to youths in Lebanon, Palestine and Jordan. We'll help enterprising women in Palestine grow new businesses. We'll galvanize communities across Lebanon to recycle. And we'll install hydroponic rooftop gardens in Gaza that use water wisely.

*For your safety, Anera is moving this event to be primarily virtual. However, we will **host a small physically-distanced gathering to watch the screening of the gala.** The event, in downtown Washington, DC, is open to board members and sponsors who are vaccinated and are comfortable coming together in person.*

Sponsorship Levels

AMBASSADOR \$50,000+

\$50,000 can connect a whole community in Gaza with reliable water supplies. Water is life and crucial to strong community health, from washing hands to access to clean drinking water.

Invitation to speak for two minutes at gala. 6 tickets to attend in-person event and up to 25 virtual guest tickets.

LEADER \$30,000+

\$30,000 can provide equipment and training for 100 women to build businesses in Palestine. Women earning an income reinvest money into education and health care, raising up whole neighborhoods.

6 tickets to attend in-person event and up to 22 virtual guest tickets.

BENEFACTOR \$15,000+

\$15,000 can teach 200 youths marketable job skills in Lebanon and Palestine. Youth who get jobs are able to support their families and bolster the economies of their communities.

4 tickets to attend in-person event and up to 18 virtual guest tickets.

CHAMPION \$10,000+

\$10,000 can equip and galvanize a neighborhood in Lebanon to recycle solid waste. The work brings host and refugee communities together, diminishing tensions and promoting cohesion.

2 tickets to attend in-person event and up to 15 virtual guest tickets.

STEWARD \$5,000+

\$5,000 can make available online training for 20 young students living in vulnerable communities in Jordan, thus fostering a sense of community and cooperation even if the students are apart.

2 tickets to attend in-person event and up to 12 virtual guest tickets.

FRIEND \$2,500+

\$2,500 can fully vaccinate 166 people, spread awareness about vaccines in refugee camps, build capacity at clinics, and promote best hygiene practices. Together we are building immunity.

2 tickets to attend in-person event and up to 9 virtual guest tickets.
