

Become a sponsor. Provide tools for tomorrow to equip and transform lives!

Our community is coming together in person for Anera's Annual Gala on September 30, 2022. We are filled with joy at the prospect of being with one another again in the same room to renew our bonds and to move forward with determination and commitment.

With your sponsorship, you will gain visibility among like-minded humanitarians and development experts and policymakers while supporting the oldest American organization delivering humanitarian relief and development projects exclusively in the Middle East.

Our theme

Tools for Tomorrow

Equipping and transforming lives

We believe that each person, no matter their circumstances, embodies promise. And people equipped with the right tools can shape the lives of their families, their neighborhoods and their region. Communities in Palestine, Lebanon and Jordan navigate difficult realities every day to improve their own lives. Anera's 2022 Annual Gala is raising funds to provide tools of all kinds so that the communities we serve can forge their own futures and help hope find a way.

Your sponsorship will provide tools in the form of job skills training for out-of-work youth, farming infrastructure and training, clean water for schools and health facilities, computer equipment and tech skill development for children, support for women entrepreneurs, and so much more.

Benefits to Sponsorship

Anera will list all sponsors on our website, social media, the event program, slides during the event, a post-gala print newsletter, and the annual report. **Your company's name and logo** will get out in front of thousands of loyal Anera followers.
