

NAOS HOPE PROJECT

Empowering Futures: School Sponsorship Program
for Vulnerable children in North Lebanon

"Just as NAOS is dedicated to improving skin health while nurturing the environment, our Education Empowerment Program seeks to heal and rebuild the futures of war-affected children, nurturing their potential with care, hope, and sustainability for a brighter tomorrow."

Objectives

- Provide education and personal development opportunities for 35 children affected by conflict.
- Support war-affected children from Palestinian, Syrian, and Lebanese communities.
- Ensure access to education for orphaned and vulnerable children.
- Build resilience, skill development, and long-term sustainability for their future.
